

AREA 12/13 MINUTES FROM February 15, 2011 MEETING HELD AT Cornell F. D.

Meeting called to order by co-chair Krupich at 19:10 hours.

Members Present: Cornel, Hudson, Stetsonville, Humbird,
and Menomonie Fire Departments.

Minutes were approved as read.

Old Business:

Question was asked about CO detectors and placement of them in a bar/hotel. A handout was distributed to explain placement of them. Also additional handouts for fire department statistics and discussion followed regarding CO alarms inspections. A question about enforcement was also discussed.

General discussion of fall conference was done. It will be in Green Bay in November from 1-4, 2011. Further information will be sent out.

It was also discussed about the 2% audit process. This is done by the state fire prevention coordinators. Do to the fact they are short people it is unclear if audits will be done except for the self audit to get the dues money that is now used.

Tour of the Mule Hide paper plant was help. It was a very informative and interesting tour.

Next meeting will be held at the Menominee F.D. at 7pm on May 17, 2011.

Meeting was adjourned at 21:00 hours.

A big thank you to the Cornell F. D. and Chief Dennis Klass for the great food and hospitality.

Minutes respectfully submitted by co-chair Krupich
