

# Wisconsin Fire Inspectors Association

To provide the people of Wisconsin we serve with effective life safety strategies through comprehensive inspection, public education, code management and fire investigation training and awareness ... to acknowledge that through diligent practice and enforcement we keep all persons including members of the fire service safer.

15 March 2011

Dear Vendor/Sponsor:

The Wisconsin Fire Inspectors Association would again like to offer company sponsorship in a very worthwhile cause. We are planning this year's Conference, and we need your help to make this successful. The Wisconsin Fire Inspector's Association would like to invite your company to participate in providing a vendor table at our conference, and/or a sponsorship for our 275 participants at the Conference. This year's focus for our Annual Fire Prevention Professionals Conference is, *2011 Don't Drop the Ball on Fire Safety* at the Radisson Hotel and Conference Center in Green Bay, WI on November 1 thru 4, 2011. The Vendor's Day reception will be on November 2<sup>nd</sup>, 2011.

The Wisconsin Fire Inspectors Association is made up of Fire Prevention Inspectors, Fire Public Educators, Building Officials and Juvenile Fire Setter Professionals; all dedicated to achieving the goal of making Wisconsin a safe place to live, work and play. This conference is an opportunity for training in the different aspects of this goal. Training focuses on making fire prevention inspections uniform throughout the State by updating knowledge of the current and recent code changes. Public Educators gain knowledge of the programs available to them, and to better teach children to be aware of dangers that exist, and what to do in an emergency. Juvenile Fire Setter programs help the children, and the parents of children, who want to "experiment" with fire. We are now reaping the benefits of the "stop, drop and roll" and "change your clock, change your battery" programs. These worthwhile programs cannot exist without training for the professionals who undertake these tasks.

Door prizes are also needed for our vendor night. If you are interested in providing door prizes they can be sent to: Thomas Clark, 4941 Springbrook Road Pleasant Prairie, WI 53158 telephone 262-287-7717 arrangements can be made to have any item(s) picked up by a Wisconsin Fire Inspector Association member. If your company would prefer to make a monetary donation which the Association would convert to door prizes, please make your check payable to the Wisconsin State Fire Inspectors Association.

If you believe Fire Inspections, Fire Prevention and Public Life Safety Education impact a part of your business, community and your family, then you and your company need to be involved with this conference by showing your support at the vendor reception. Please visit the Wisconsin State Fire Inspectors Association web-site ([www.wsfia.org](http://www.wsfia.org)).

If you have any questions or need assistance, please contact Tom Clark, at [tclark@plprairiewi.com](mailto:tclark@plprairiewi.com) or call Tom at 262-287-7717.

Thank you in advance for supporting the Wisconsin State Fire Inspectors Association.  
Sincerely,

Thomas Clark  
1st Vice President &  
Conference Committee Member
